Design & Size

We provide 2.5" Corrugated cut to the inch per specification. 2.5" Corrugated design features 1/2" high ribs, spaced 2.5" on center.

On roofs, ribs are lapped 2 ribs, providing a 21.33" coverage width. On walls, ribs are lapped 1 rib, providing a 24" coverage width.

Warranty & Finish

Painted 2.5" Corrugated carries a 40 year paint warranty and 30 year fade/chalk warranty and has primer and Galvalume under the paint.

Unpainted Galvalume carries a 25 year warranty and is a 45% zinc and 55% aluminum coating with a clear acrylic overcoat.

Some plants also provide unpainted galvanized which is carries no warranty and is a zinc coating.

Purpose & Use

2.5" Corrugated is flexible enough to handle slight curvatures and strong enough for roofs and walls across America.

Common uses for 2.5" Corrugated include walls, ceilings, siding, and roofing. A high tensile steel core stands up to the the high winds of Florida.
