

Commercial Seamed Panels

Magna-Loc | Low Slope Mechanical Seamed Panels

Magna-Loc is a mechanically seamed standing seam metal roof system. 2" high ribs combine with factory applied sealant to allow installation on slopes as low as 0.5:12. We provide Magna-Loc custom cut to the inch per specifications. Any length is available from 5' up to 45'. Magna-Loc's design features 2" high snap-lock style ribs, spaced 16" or 18" on center. Thickness options include 24 gauge as standard and 22 gauge as optional.

Magna-Loc

Commercial Seamed Standing Seam Panels

Commercial

Magna-Loc is primarily chosen as a commercial panel. Panels can be lapped easily and seaming can be either at 90 degrees or 180 degrees (Magna-Loc 180).

Low Slope

Factory-Applied seam sealant, taller 2" ribs, and mechanical fastening enable Magna-Loc to be installed on slopes as low as 0.5:12 - even over open framing.

Standing Seam

You get all the great benefits of a steel standing seam system: longevity, strength, beauty, and peace of mind. Magna-Loc will last longer than alternative roofing systems, at a lower cost per year of use.

Specifications:

- 40 Year Paint Warranty
- 24 and 22 Gauge Available
- 16" or 18" Coverage
- 2" Rib Height
- Fire, Hail, & Wind Resistant
- Available in Over 30 Attractive Colors
- Energy Star Rated on All Colors
- Installs over Solid Decking or Open Framing
- Minimum Slope: 0.5:12
- Finish Options: Kynar 500, ACG Galvalume

Advanced Protective Coatings

Magna-Loc is protected by baked on enamel paint: tough for installation, resistant to fading, and Energy Star® reflectivity to save on utility bills.

Paint: Durable baked on paint offers a permanent finish, easily lasting 40+ years. This ensures protection and beauty for years to come.

Galvalume: Under the paint, Galvalume (55% zinc, 45% aluminum) provides lasting corrosion protection, even if paint is scratched during installation.

Steel: A heart of high-tensile steel guarantees strength and endurance. With the highest ratings possible for wind, hail, and fire, Magna-Loc is ready to weather anything nature throws its way.
