We make **self storage** purchasing **easy**

Best Buy Metals brings you a new level of quality, service, and convenience that beats the rest. Our quick quote-to-complete self-storage packages come with everything you'll need to erect mini, boat, RV, or climate-controlled storage units. As with all our metal buildings, you can expect a quality product delivered to you on time, at a great value.

Standard floor plans include:

- 8'6" eave height
- 1/2:12 roof slope
- Roof panels are 26-gauge, Galvalume® R-Panel, featuring a 25-year substrate warranty
- Wall panels are 26-gauge painted R-Panel, featuring a 40-year paint warranty
- Standard trim package consists of painted 26-gauge eave trim, rake trim, door jamb, and header trim.
- Framed with 16-gauge red oxide steel
- Complete custom set of erection drawings
- 1/2" wedge anchors provided
- Interior partition panels are 29-gauge Galvalume

Simple and fast construction

Construction of our self-storage units is so simple, a small crew equipped with step ladders, screw guns and hand tools can erect the entire building.

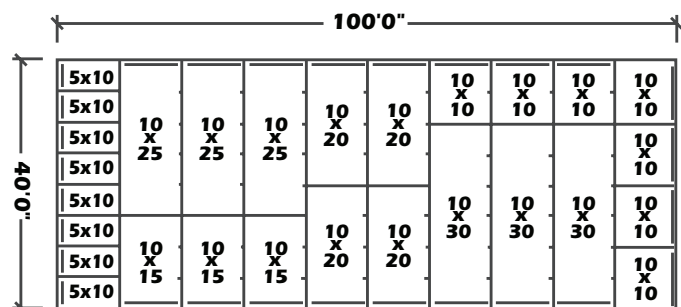

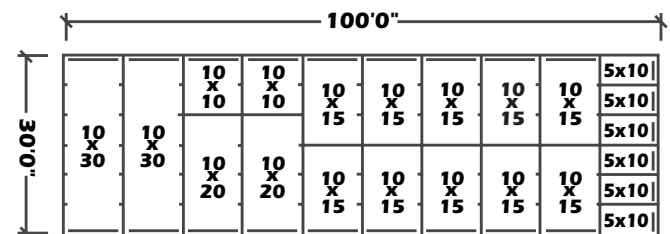

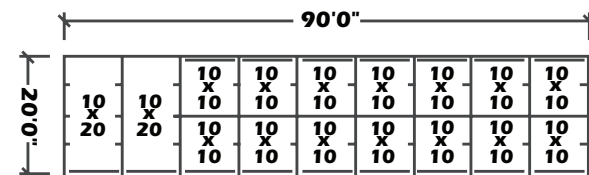

Sample floor plans

Room layouts available as required in 5'0" increments. Custom heights and widths available.

Available options:
