

## PVDF / FLUROPON® LIMITED PAINT WARRANTY

We are pleased to present you with THE FOLLOWING Limited Warranty on our Fluropon® coil coatings.

1. This Warranty applies if any of the following Warranty Conditions occurs during the time period specified below:
  - a. Fluropon® exhibits cracking, flaking or peeling (loss of adhesion) to an extent that is apparent on ordinary outdoor visual observation within 45 years of installation. Minute fracturing, which may occur in proper fabrication of the building parts, is not a covered Warranty Condition. *Failure due to substrate corrosion is not a covered Warranty Condition.*
  - b. Fluropon® chalks in excess of ASTM D-4214 method A number 8 rating when properly maintained as described herein within 30 years of installation.
  - c. Fluropon® changes color more than five (5.0) Hunter delta-E units as determined by ASTM method D-2244 within 30 years of installation. Color change shall be measured on an exposed painted surface that has been cleaned of surface soils and chalk, and the corresponding values measured on the original or unexposed painted surface. Color changes may not be uniform on surfaces that are not equally exposed to the sun and elements and Best Buy Metals does not warrant that color changes will be uniform.
2. If a Warranty Condition occurs and all of the other requirements of this Warranty are met, Best Buy Metals will supply you with the following Warranty Benefits:

Best Buy Metals will pay for labor and material reasonably necessary to repaint, repair or replace, at our option, the metal panels showing the Warranty Conditions. The Warranty Benefits shall not exceed the original purchase price of the affected metal panels and trim (not including any accessories or attachments) or the remedy provided in any other warranty provided to the building owner, whichever is less, even if our limited warranty fails of its essential purpose. This Warranty will continue to apply to any metal panels that were repainted, repaired or replaced due to a Warranty Condition, but only for the unexpired portion of the Warranty period applicable to the original part.
3. To receive Warranty Benefits for a Warranty Condition, you must:
  - a. Contact Best Buy Metals within thirty days of the appearance of any detectable defect.
  - b. Provide access to the affected panels and site.
  - c. Assist us as necessary in determining the exact cause of failure.
  - d. Provide such documentation as we shall request to confirm the Warranty Condition, including records sufficient to identify the batch number and application date of the Fluropon® coating involved; and production records and quality control records from your coater showing compliance with our application specifications and the results of tests required by those specifications.
4. We are not responsible and provide no Warranty Benefits, for any damage or condition resulting from any of the following circumstances or any other circumstances beyond our control:
  - a. Acts of God, falling objects, explosions, fire, external forces or other such similar or dissimilar circumstances beyond Best Buy Metals' control;
  - b. Harmful fumes or foreign substances in the atmosphere, or salt spray;
  - c. Significant differences in insulation below coated metal panel;
  - d. Failures or damage resulting from substrate exposure or corrosion at cut/bare edges or failure of the metal substrate;
  - e. Fluropon® that has been stored/installed in such a way that allows contact with animals or animal waste;
  - f. Mishandling of Fluropon® or of any substrate coated with it, including abuse, alteration, modification, improper use, or storage; or
  - g. Attachment or adhesion of materials or items such as snow guards and solar panels to the coating.

5. No Warranty is provided for Fluropon® coatings on any substrate that is subjected to sea spray or installed on property located 1,500 or fewer feet from a salt-water environment.
6. This warranty applies only to building parts installed on buildings within the Continental United States, Alaska and Canada. This Warranty will automatically expire upon any change or transfer of ownership of the property on which the metal coated with Fluropon® is originally installed.
7. This is our only warranty concerning Fluropon® coil coatings. Except for this Warranty, WE MAKE NO WARRANTIES, EXPRESS OR IMPLIED AND DISCLAIM ALL IMPLIED WARRANTIES INCLUDING WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR USE OR FREEDOM FROM PATENT INFRINGEMENT. BEST BUY METALS WILL NOT BE LIABLE FOR ANY SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES. We have no other liability with respect to Fluropon® coil coatings, whether based on warranty, negligence or any other legal theory.
9. This is our complete warranty. It lists all of Best Buy Metals' obligations regarding Fluropon® coil coatings. This warranty shall be governed by Tennessee law, but not its conflict of law rules.
