Design & Size

We provide BBM Board & Batten custom cut to the inch per specifications. Any length is available from 3' up to 20'. Panels can be installed horizontally or vertically. BBM Board & Batten's design features 12" coverage panels with 2-2/3" wide x 1" high battens.

Thickness options include 29 and 26 gauge as standard and 24 and 22 gauge as optional.

Warranty & Finish

Painted BBM Board & Batten carries a 50 year paint warranty, 50 year substrate warranty, and 30 year fade/chalk warranty. Unpainted Galvalume carries a 45 year warranty.

The painted option is a baked on enamel paint over primer and Galvalume. The non-painted Galvalume option is 45% zinc and 55% aluminum with a clear acrylic overcoat.

Purpose & Use

BBM Board & Batten is a durable steel wall panel system. Hidden fasteners and a versatile clip design ensure a permanent and strong system.

BBM Board & Batten should be installed over solid decking. Common uses include both residential and light commercial application.
